The Puritans

T A K E N O T E S

- Time period: 1640
- A group of religious “people” who separated themselves from the Catholic church in England.
- Involved with “The Salem Witch Trials”

The Puritans

Beliefs:

- All sins should be punished (stealing, adultery, murder)
- Men are “rulers”; women subservient.
- When bad things happen, God is punishing the sinful.
- The devil is real...and very active.

The Puritans

Massachusetts

Witchcraft

- Defined as the use of supernatural/magical powers.

The Salem Witch Trials

T A K E N O T E S

- Began in 1692 (200 years after Columbus)
- Resulted in the executions of 20 people (and dogs) and the imprisonment of over 200 people.

Samuel Parris

T A K E N O T E S

- Samuel Parris, the Puritan minister of Salem, Massachusetts.
 - Not well liked in his congregation because of harsh preaching and rigid values.

Betty Parris

T A K E N O T E S

- “Witch Trials” began with Samuel’s daughter, Betty...she:
 - Had an “epileptic fit.”
 - Screamed, threw things around the room, uttered strange sounds, and crawled under furniture.
 - Also covered her ears when the Bible was read aloud.

The Salem Witch Trials

- Hundreds accused of witchcraft
- Trials set up → based on “Spectral Evidence.”

WITCHCRAFT AT SALEM VILLAGE.

Spectral Evidence

T A K E N O T E S

- The “afflicted” *claimed* to see the ghost of a person who forced them to do witchcraft.
- First to be accused and executed:
 - Bridget Bishop
 - 60 years old
 - An outspoken woman, flashy in behavior
 - Last words: “I know not what a witch is!”
- 1693 spectral evidence is banned; end of witch trials!
