12.03.2009 (5 min)

Timer

- WOD:

constant: not changing or varying; uniform

- Warm Up:

1. Draw a picture of the **Word of the Day** that shows the meaning of *constant*. Include a caption below your drawing.

2. Have you *considered* attending college or a university after high school? Why do you think this? Explain your reasons as best you can.

“Big Questions”

Monday

- ✓ Why should/shouldn't parents be allowed to view students' grades?

Tuesday

- ❑ **What kind of knowledge changes your life?**
- ✓ To what degree can diet and exercise affect your health?

Wednesday

- ✓ What is it important to question what I'm reading? (In Class)
- ✓ Why is it important to visualize what I'm reading? (Field Trip)

Thursday/Friday

- ❑ Why should/shouldn't I go to college?
- ❑ How can I make an iMovie project and get an 'A'?

iMovie Laptop Project

Timeline

- Get into groups of 2
- Pass out articles
 1. Why Everyone Should go to College
 2. Is College for Everyone?
- Read both articles
- Grab a Laptop (1 per group)
- Make a 1-minute iMovie Project
 - Use your “iMovie Bootcamp” worksheet if you need help

iMovie Laptop Project

The iMovie Project

- ❑ Video must be at least 1-minute long
- ❑ Your video will give 3 reasons why you should go to college and 3 reasons why you shouldn't go to college
 - ❑ This is just like summarizing (determining what is important from what is not important)
- ❑ Your video needs titles and transitions
- ❑ Music, voiceovers, and pictures from the internet are optional, but will boost your grade.
