

Team-Selected Novels

Day 7 (Tuesday, 11.6.12)

Please have **one person read aloud** (Volume-0: 3) the following to your team:

Welcome to your seventh day of reading and discussing your team-selected novels! Today's activity is another discussion day; remember that using the chips is required; if anyone is not following that rule, please make sure to reflect that on your grading sheet.

Please have **another person read aloud** (Volume-0: 3) the following to your team:

The "Activity":

1. 2 minutes: Are there any absent members of your team? If so, make arrangements to contact them (email, text, or phone call) to explain what they missed today.
2. 10-20 minutes: In **Volume-O: 3**, Start with Role #1 (Discussion Director). Role #1 shares their questions and the team responds. If Role #1 is absent, proceed to Role #2 (Passage Hunter). Continue through all the roles until everyone has shared and discussed that day's reading.
3. Last 5 minutes: Please fill out a grading sheet today. By now, there are not many left in your binder. According to the front office yesterday, "The copy machine is down. It makes a couple of copies and then jams. The repairman will be here tomorrow morning." Thus, make your own grading sheet on a sheet of paper—please include their name, grade given, and your comments about their performance. Comments **are required** for each person—a sentence for each person should be sufficient. When complete, please place them in the tan folder for your period.
4. TIME REMAINING? Please complete tonight's assigned reading and homework @ **Vol-0: 0**.
