*Welcome to your ninth day of reading and discussing your team-selected novels!
Today's activity will be about sharing your homework and completing a 2nd graph organizer.*

Please have **another person read aloud** (Volume-0: 3) the following to your team:

The "Activity":

1. 2 minutes: Are there any absent members of your team? If so, make arrangements to contact them (email, text, or phone call) to explain what they missed today.
2. 10-minutes: In **Volume-O: 3**, Share your three important scenes from last night's reading. Please use your paraphrasing and elaboration skills.
3. 20-25 minutes: In **Volume-O: 3**, have all team members **make a graph** in their composition notebooks, like the one you made on **Day 5**. Your goal today is to track your main character and rate their actions / experiences through this graph as positive, negative, or neutral. You should **continue from the last chapter** you left off on from your previous graph organizer.

4. Last 5 min: Please fill out a grading sheet today. Please make your own grading sheet on a sheet of paper—please include their name, grade given, and your comments about their performance. Comments **are required** for each person—a sentence for each person should be sufficient. When complete, please place them in the tan folder for your period. If you have time remaining, please complete tonight's assigned reading and homework @ **Vol-0: 0**.
