Day 2 (Monday, 4.8.13)

Please have **one person read aloud** (Volume-0: 3) the following to your team:

*Welcome to your second day of reading and discussing your team-selected novels! Today's activity will be two-fold: finishing your discussion about your book's **exposition** (from those chapters you read this weekend) and finding any evidence of bildungsroman and/or Monomyth in your book.*

Please have **another person read aloud** (Volume-0: 3) the following directions:

The Activity:

1. 7-10 minutes: In **Volume-O: 3**, Round Robin **Reading Log #3** from this weekend in which you continued to look for confusion and the introduction of any characters through the first chapter or two. Make sure to record any new answers in your organizer that team members share.
2. 5-10 minutes: In **Volume-O: 3**, discuss if any evidence in your book suggests the presence of a bildungsroman or Monomyth. Cite any textual evidence in your notebook under Reading Log #3.
3. 2 minutes: In your notebook, make sure to mark under Reading Log #3 anyone in your team who did not complete reading or did/could not share. This will help you when determining what grades to give your team members on Friday.
4. 5 minutes: Assign roles in your team for tomorrow's discussion. Remember, you will be rotating these roles every new discussion day we have. Make sure all team members understand what chapters are assigned as well as what each role requires.
5. TIME REMAINING? Please read the next assigned section of your novel in **Volume-O: 0**.
