Remaining	Solo: *The Escape*

Announcements

- **Benchmark Exam** make ups are today in the Media Center → *Corbin, Sarah, Anna, Emily, JakirWia*

Notes

In Medias Res

- Literally means to start "in the middle of" the story

- Opposite of "origin" story

- Means starting your story in the middle of something that has happened.

- Start with Act II (The Turn) or with main conflict, then go into back in time as needed.

- Can be paired with flashback (going back in time to explain event)

Examples

Let's Play
