Notes

The Puritans

- Time period: 1640
- A group of religious “people” who separated themselves from the Catholic church in England.
- Involved with “The Salem Witch Trials”

The Puritans

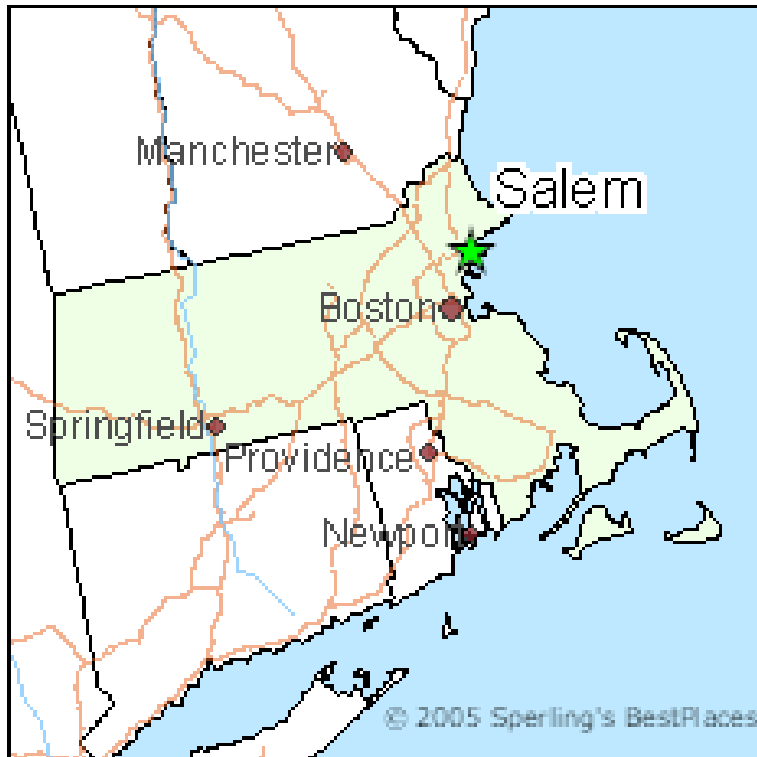

Core Beliefs:

1. All sins should be punished (stealing, adultery, murder)
2. Men are “rulers”; women subservient
3. When bad things happen, it is because you have done/thought about something bad
4. The devil is real...and when bad things happen, the Devil is usually to blame

Salem, Massachusetts

Witchcraft

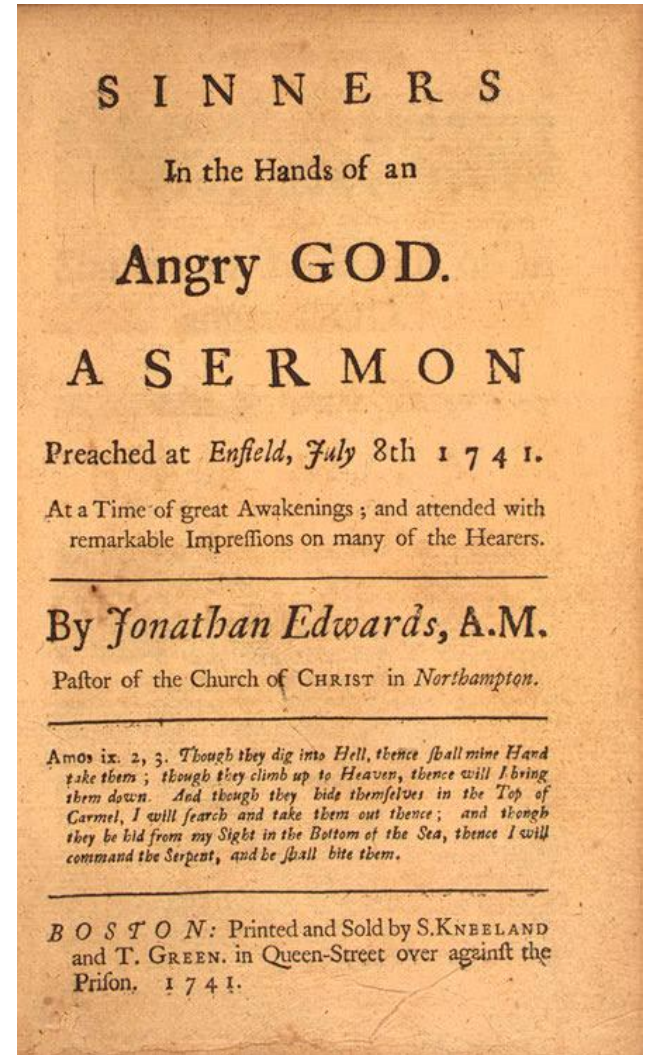

- Defined as the use of supernatural or magical powers.
- Tolerated by early Americans, until land issues became contested.
- By Puritans times, more often associated with “demonology.”
- Puritans believed that every day the evil (and his witches) were looking to convert them.

“Sinners in the Hands of an Angry God”

T A K E N O T E S

- Sermon written by Jonathan Edwards and delivered in 1741
- Contains vivid descriptions of Hell and what happened to unconverted, non-believers.
- Emphasized that Hell and the Devil are real and active
- Rumor has it: people wept, fainted, and cried out during the sermon, asking, “how can I be saved?”
